

*National*  
**APPRENTICESHIP WEEK**  
NOVEMBER 15-21, 2021

# Join us for a discussion of tech apprenticeships

In conjunction with National Apprenticeship Week, Discovery Partners Institute and the Cook County Bureau of Economic Development, invite you to a dynamic conversation about scaling diverse pathways into Software Development careers to meet employer demand.

*Hosted by Drift Net Securities\**

**Monday, Nov. 15, 3:30-5 p.m., 70 W. Madison St., Chicago, IL 60601**

Join us to learn more about how Chicagoland companies are leveraging apprenticeship to meet their business, technology, and talent development goals. This interactive session will also seek your feedback on the curriculum and program design of DPI's new Software Developer Apprenticeship initiative. Networking opportunities and light refreshments will be provided.
