

Training * Connecting * Developing Illinois' Workforce

Revising the Governor's Guidelines

Workforce Innovation and Opportunity Act (WIOA)

October 12, 2016

Training * Connecting * Developing Illinois' Workforce

Purpose of this Webinar

- To obtain input from local partners and stakeholders regarding their experience under the Governor's Guidelines in PY 2016
- Use this input to inform the upcoming second major revision of the Governor's Guidelines

Training * Connecting * Developing Illinois' Workforce

Major Steps in the Revision Process

1. Online survey of LWIB chairs and lead negotiators
2. Webinar to obtain input from other stakeholders and local partners
3. Consultation with IWIB on key concepts to be included in the revision
4. Development of draft revision for approval by the WIOA Interagency Work Group
5. Final Consultation with the IWIB
6. Distribution of second major revision of the Governor's Guidelines in early December
7. Webinars to respond to questions about Governor's Guidelines revision in mid-December

Process for Webinar

Choices from your experience in PY 2016:

- Worked well
- Didn't work well

Opportunity for elaboration

Training * Connecting * Developing Illinois' Workforce

Did the following work well?

1. Designation by the board chair of a single individual to lead MOU negotiations
-

Training * Connecting * Developing Illinois' Workforce

2. Designation by the board chair of a private sector board member, or other impartial individual, to lead cost negotiations
-

Training * Connecting * Developing Illinois' Workforce

3. Designation of individuals by required partners who have the authority to make program and financial commitments on behalf of the required partner
-

Training * Connecting * Developing Illinois' Workforce

4. Designation of a single individual to negotiate on behalf of multiple providers of adult education
-

Training * Connecting * Developing Illinois' Workforce

5. Designation of a single individual to negotiate on behalf of multiple Career and Technical Education entities (i.e., Perkins)
-

Training * Connecting * Developing Illinois' Workforce

6. Value of "State-level Career Services Summary" as a starting point for service delivery negotiations and development of a local service matrix
-

Training * Connecting * Developing Illinois' Workforce

7. Value of "State-level Programs and Activities Summary" as a starting point for service delivery negotiations and development of a local service matrix
-
